

BELIZE OFFSHORE BANKING SERVICES

Opening and maintaining an offshore bank account for your Belize Limited Liability Company (Belize LLC), Belize IBC, Belize Asset Protection Trust, Belize Foundation is an important component of your asset protection or tax planning strategy.

International Banks (Offshore Banks) in many countries accept bank account applications from Limited Liability Companies (LLC), International Trust, International Business Company (IBC) and International Foundation registered in Belize. We assist clients in opening bank accounts at international banks in Belize, as well as investment account / trading account at brokerage/ investment firms in many other well-regulated jurisdictions, enabling global investors to access high-tech and modern financial services. We work closely with internationally respected offshore banks, including the largest international bank in Belize, in assisting our clients with their offshore banking requirements.

We also assist in establishing of trust account at offshore bank/ investment brokerage in different countries as security of deposit and capital-reserved are the major concerns of all trustees. Therefore, it is crucial for trustee to manage trust assets for assets protection and capital-reserved purpose at reliable, well-established investment firm, offshore banks and/or brokerage. The client may not have to be present in person for corporate account applications. Final approval of any account will be made solely by the bank as banks conduct their own due diligence checks.
